## OTHER ANNOUNCEMENTS

### **Individual and Siblings School Photographs**

Our new provider Vancols will be taking photographs for all children with 'internal' photo consent on Thursday 5<sup>th</sup> November. Please ensure your child is in full school uniform.

### **Parents Evening (10<sup>th</sup> and 12<sup>th</sup> November)**

Parents' Evening bookings are open on Arbor and close on Tuesday 3<sup>rd</sup> November at 9am.

Please read the Parents' Evening letter sent on 09/10/26 for information on how to book and which teachers are available. After-school club is now full on both of these days - if you wish to be added to a waiting list then please email the School Office as soon as possible.

### **Duke Awards**

If you wish to sign your child up for the Duke awards, please make payment on Arbor by Wednesday 4<sup>th</sup> November.

### **Remembrance Poppies on sale**

From Monday 2nd November to Friday 6th November, our School Council will be selling Remembrance items in support of the Royal British Legion's Poppy Appeal.

Children wishing to make a purchase should bring their money to school in a named purse or wallet. Items will be available to buy during break and lunchtime throughout the week.

Slap Bands £2.00 (only 1 slap band per child)

Festival Bands £1.00

Zip Attachment Poppies 50p

Stick-On Poppies 50p

Poppy Pencils 50p

We will also have a small selection of Poppy pins for sale to adults in the School Office for £2.

## OTHER ANNOUNCEMENTS

# THANK YOU!

## Eaton Primary School

**For our Harvest Appeal you kindly donated 147.35 kg of food.**

At Norwich Foodbank we are so grateful for the support we receive and appreciate all that is given. We make nutritionally balanced 3-day food parcels per person and so we need a mixture of items.

If you would like any further information, please visit

Download the  
**BanktheFood app on  
your phone or device  
for our updated  
shopping list.**

### Cut Your Carbon Month!

In November, we will be taking part in the 'Cut Your Carbon' challenge organised by Eco-Schools.

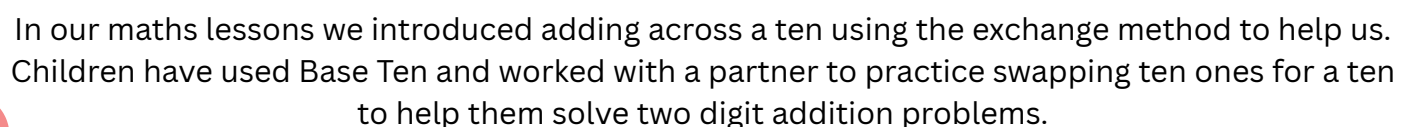

Throughout November, we're challenging everyone to complete 9 small carbon cutting activities at home. These actions will help to reduce our own daily carbon footprints and at the end of the month we will tally up the results and calculate how much carbon we have collectively saved!

Please use the [Cut Your Carbon checklist 2026](#) to log your own carbon saving and return to school at the beginning of December so that we can total our whole school impact.

Thank you in advance for all your support!

We have had PSHE as our topic subject this week. We have explored the different emotions and how they feel inside our bodies. We have also thought about how emotions can be experienced by different people in different ways and discussed how we can use clues such as people's body language and facial expressions to help us. Our final PSHE lesson of the week centered around the question 'what makes us who we are?' Children discussed their similarities and differences in a kind, respectful way and produced a piece of art work which celebrated their special interests and favourite things.

# YEAR 5

Year 5 have had a fantastic time exploring their learning across Art, Design and Technology, and Science! In D.T., they explored diets and food traditions from around the world before rolling up their sleeves to make delicious flatbreads with garlic butter and traditional Danish-style Smørrebrød. In Art, the children created vibrant and imaginative pieces inspired by the colourful, whimsical work of Friedensreich Hundertwasser, experimenting with bold colours, patterns and unique shapes.

In Science, the children investigated the properties of different materials and explored the differences between physical and chemical changes. Their learning culminated in an exciting volcano experiment, where they created their own erupting volcanoes and watched their scientific knowledge come to life! We are incredibly proud of their creativity, curiosity and enthusiasm across all three subjects.
